Saturday, May 4 • 10 a.m. and 2:30 p.m.

To our graduates, families and friends,

On behalf of our community of educators, I am pleased to welcome you to PennWest Clarion's Spring 2024 Commencement.

Whether you are here to receive a degree or watch a loved one walk across the stage, you can be proud of what our graduates have accomplished. Earning a college degree is a significant achievement, and the Class of 2024 has pursued that goal with spirit and determination.

Today our graduates join an alumni network that is 201,000 strong. Members of the Pennsylvania Western University Alumni Association have many opportunities to stay connected to their university, their campus, and this nationwide network of accomplished and caring individuals. I encourage our newest alumni to keep in touch – as proud Golden Eagles, you are always welcome at Pennsylvania Western University.

Thank you for joining us today as we honor – and applaud – the PennWest Clarion Class of 2024.

Yours,

A handwritten signature in white ink, reading "R. Lorraine Bernotsky" with a long, sweeping flourish extending to the right.

R. LORRAINE (LAURIE) BERNOTSKY, D.PHIL.
Interim President, Pennsylvania Western University

As Pennsylvania Western University's interim president, Dr. Bernotsky leads the second-largest public university in western Pennsylvania, with campuses at California, Clarion, and Edinboro.

Through the chancellor, and working with the PennWest Council of Trustees, she reports to the Board of Governors for Pennsylvania's State System of Higher Education.

Before her presidential appointment on March 1, 2023, Dr. Bernotsky served Pennsylvania Western University as executive vice president and chief operating officer. Then, as now, she focused on academic and operational excellence, strategic enrollment management, and long-term plans for the university's future.

Dr. Bernotsky is on loan to Pennsylvania Western University from West Chester University, where she has been executive vice president and provost since 2017. In this role she led the Academic Affairs division and provided leadership in budgeting and labor relations. She also has extensive experience in undergraduate and graduate admissions, enrollment management, financial aid, student support services, curriculum development, program review, and assessment.

Dr. Bernotsky holds both a master's degree and a doctorate in politics from the University of Oxford and a master's degree in sociology from Temple University.

PRESIDENTIAL MEDALLION

Clarion's presidential medallion made its debut at the inauguration of President Karen Whitney on April 15, 2011. The central piece of the medallion is the president's medal, which bears Clarion's seal. The medal is suspended from a chain of office whose links record historical lineage by displaying the names of Clarion University's previous 15 presidents and the years they served.

The medallion, which symbolizes the office of the president, is a gift to the university from a private donor. It is worn at ceremonial occasions, particularly commencements and convocations.

THE CEREMONIAL MACE

PennWest Clarion's current mace, introduced in 1997, was designed and created by Ms. Kaersten Colvin-Woodruff, associate professor of art.

The shaft of the mace was crafted by university maintenance staff member Terry Byerly, while the production of ceramic molds for its head and its casting were done by Franklin Bronze of Franklin, Pa. The position of mace bearer is one of honor given to a senior member of the faculty.

Fashioned after Byzantine architecture, a style represented in some of the earliest institutions of learning, the head structure of the mace consists of three cupped units, each one raised slightly above the other. Each unit is made from a highly polished yellow brass alloy and is molded from various thin, randomly positioned brass leaves.

The individual brass leaves, which replicate leaves gathered on campus, symbolize the intellectual and cultural diversity of the university community, as well as the physical beauty of its campuses. The university's seal is embedded in the upper cupped unit.

The shaft of the mace is made of black cherry hardwood, which is native to western Pennsylvania. It, too, is finished with a brass ornament, creating a chromatically balanced piece.

The university mace is permanently displayed in Carlson Library.

ACADEMIC ATTIRE

The academic attire worn at university ceremonies today in the United States dates back in its essential features to the Middle Ages. The oldest universities of northern Europe, such as Paris and Oxford, grew out of church schools. Students and faculty wore clerical garb, largely borrowed from the monastic dress of their day.

The head-covering of the academic costume developed out of the skull cap worn by the clergy in cold weather. In the universities, this skull cap acquired a point on top that gradually evolved into a tassel. In this country, it has been replaced by the familiar mortarboard, which still retains the medieval tassel.

The hood originally was worn over the head and otherwise dropped onto the shoulders, like a cowl. Today, each college has its distinctive colored hood-lining by which its graduates may be recognized.

GOWNS

Although the gown is more frequently black, certain universities have authorized the use of colored gowns. The bachelor's and master's gowns are fashioned from black serge. The yoke for the bachelor's gown is designed to be worn closed and features long, flowing and pointed sleeves. The master's gown is designed to be worn open or closed. Its sleeves are very long with square ends, and the front part has an arc cut away. The arms protrude through a slit at the elbow. The gown for the doctorate has bell-shaped sleeves, with velvet facing down the front and on three bars across the sleeves. The facing and crossbars of velvet may be of the color distinctive of the field to which the degree pertains.

HOODS

The hood is usually worn only for the master's and the doctorate. The doctor's hood is longer than the master's hood and has distinguishing panels. The college or university granting the degree is indicated by the color of the hood lining. The velvet trim of the hood indicates the field in which the degree was granted; those colors are listed on the next page.

CAPS

The standard cap is the mortarboard, usually the color of the gown. The tassel is black for the baccalaureate and master's degree and is worn over the left front quarter of the cap. The doctoral cap is indicated by a tassel of gold thread. Undergraduates wear the tassel on the right side of the cap until the moment the degree is conferred.

COLORS DISTINCTIVE OF THE DISCIPLINES AND PROFESSIONS

Only a single degree from a single institution should ever be indicated by a single garment. For all academic purposes, including trimmings of doctors' gowns, edgings of hoods, and tassels of caps, the colors associated with the different subjects are as follows:

Agriculture – <i>Maize</i>	Fine Arts – <i>Brown</i>	Philosophy – <i>Dark Blue</i>
Architecture/Planning – <i>Blue</i>	Foreign Affairs – <i>Aquamarine</i>	Physical Education – <i>Sage Green</i>
Arts, Letters, and Humanities – <i>White</i>	Forestry – <i>Russet</i>	Psychology – <i>Antique Gold</i>
Business – <i>Drab</i>	Journalism – <i>Crimson</i>	Public Administration – <i>Peacock Blue</i>
Criminal Justice – <i>Midnight Blue</i>	Law – <i>Purple</i>	Public Health – <i>Salmon Pink</i>
Chiropractic – <i>Silver</i>	Library Science – <i>Lemon</i>	Science – <i>Golden Yellow</i>
Dentistry – <i>Lilac</i>	Medicine – <i>Green</i>	Social Work/Social Science – <i>Citron</i>
Economics – <i>Copper</i>	Music – <i>Pink</i>	Theology – <i>Scarlet</i>
Education – <i>Light Blue</i>	Nursing – <i>Apricot</i>	Veterans – <i>Red, White and Blue</i>
Engineering – <i>Orange</i>	Oratory – <i>Silver Gray</i>	Veterinary Science – <i>Gray</i>
	Pharmacy – <i>Olive Green</i>

PHILANTHROPY RECOGNITION

Pennsylvania Western University Advancement recognizes students who demonstrate their generosity and commitment to their alma mater as they transition from student to engaged alumni. To earn this graduation cord, students must participate in their first alumni event by making a gift through the Clarion Gift Drive. The cord symbolizes the important role that our alumni serve in strengthening the university.

Appearance of a name in this program is presumptive evidence of graduation. However, the list of graduates included in the program is not intended to be used as an official indication of graduation. The official transcript, issued by the Commonwealth of Pennsylvania, sealed and signed by the proper authorities, is conclusive testimony to the possession of a degree.

ALMA MATER

Oh Clarion, dear Clarion, Oh college on the hill
To all the joys of student life, Our hearts will ever thrill,
Your silent winding river, It haunts me still.

Oh Clarion, dear Clarion, We pledge our faith to you,
With everlasting love and loyalty, In everything we do,
To you dear alma mater, We'll ever be true.

Gladys Rich (1892-1972)
