

GACO APEX Accelerator Webinar:

Industrial Base Analysis and Sustainment (IBAS) Program

April 16, 2025
11:00 – 11:30 a.m.

The Department of Defense's Industrial Base Analysis and Sustainment (IBAS) program aims to strengthen the U.S. industrial base by identifying and addressing gaps in critical supply chains vital for national security. It focuses on building domestic capabilities for emerging industries, ensuring readiness, and mitigating risks from global supply chain disruptions. The program supports the Department of Defense's goal of maintaining a competitive, secure, and resilient industrial base for defense needs.

This free informational webinar will discuss the six industrial priorities of the Department of Defense and give an overview of the DoD's Industrial Base Policy.
