Effective Date: 2/24/2023

A. Intent

Logon banners provide a definitive warning that network intrusion is illegal and warn authorized users of their obligations relating to acceptable use of the network. Logon banners provide notice of the obligations and responsibilities relating to using the Pennsylvania Western University (PennWest) computer network. Thus, users of the computer network cannot claim ignorance of their actions.

The purpose of this standard is to require that a logon banner be displayed before a user accesses the Penn West University computer network.

B. Definition(s)

Not applicable.

C. Policy

Penn West University is to use logon banners for all systems and devices that are accessible from the network.

- Banner: "This is a Penn West University system. Unauthorized access is prohibited. Access and use must comply with University Acceptable Use Policies and Procedures."

D. Procedure(s)

Not applicable.

E. Related policies

Acceptable Use Policy (AUP), Information Security Policy

F. Contact Information
